Sheep Market Report

3RD MAY 2023 - A YARDING OF 3933 SHEEP & LAMBS, WITH 2990 LAMBS AND THE BALANCE SHEEP.

An excellent yarding of heavy and extra heavy lambs were available with most processors attending with the exception of one export processor. Heavy lambs were erratic at times with the best shorn lambs fully firm on last sale while the others were \$10-12 cheaper. Secondary lambs were still lacklustre and had little competition to be \$8-10 cheaper than last sale. Grown sheep sold well to be \$10-12 dearer for the best types, while secondary types were dearer \$15-18/head.

Cattle Market Report

3RD MAY 2023 - 720 CATTLE YARDED

Another very good line up of cattle again this fortnight. The better end of the yearling cattle trade was 10-15c/kg cheaper while the cattle returning to the paddock saw subdued competition to be 20-30c/kg cheaper. The export saw strong competition on the properly finished cattle to be 5-10c/kg cheaper while anything a little bit secondary saw a loss of up to 20c/kg cheaper. The heavy cows showed similar trends to be 10-15c/kg cheaper.

JOKE OF THE WEEK!

I took my Pop to the mall the other day to buy some new shoes. Whilst we were there we decided to grab a bite to eat at the food court. I noticed he was watching a teenager with spiked hair in all different colours; green, red, orange and blue sitting across from him. The teenager would look and find him staring every time. When the teenager had had enough, he sarcastically asked, 'What's the matter old fella, never done anything wild in your life?'

Knowing my Pop, I quickly swallowed my food so that I wouldn't choke on his response, knowing he would have a good one and in classic style he did not bat an eye in his response.

"Got drunk and had sex with a peacock once, I was just wondering if you were my son?"
