Sheep Market Report

30TH NOVEMBER 2022 – A YARDING OF 5000 SHEEP & LAMBS, WITH 2000 LAMBS AND THE BALANCE SHEEP.

Another quality yarding of sheep and lambs this fortnight with the leads of the lambs holding firm to \$10/head dearer. Merino lambs also held firm on the better end while the secondary types struggled for pace. Grown sheep also struggled for momentum and were \$10-30/head cheaper across the board.

Joke of the Week!

The mother-in-law arrives home from the shops to find her son-in-law Paddy in a steaming rage and hurriedly packing his suitcase.

"What happened Paddy?" she asks anxiously.

"What happened? I'll tell you what happened. I sent an email to me wife telling her I was coming home today from my fishing trip. I get home... and guess what I found? Yes, your daughter, my wife Jean, with Joe Murphy in our bed! This is unforgivable, the end of our marriage. I'm done. I am leaving forever!"

"Ah, now, calm down, calm down, Paddy!" says his mother-in-law. "There is something very odd going on here. Jean would never do such a thing! There must be a simple explanation. I'll go speak to her immediately and find out what happened."

Moments later, the mother-in-law comes back with a big smile.

"Paddy, I told you there must be a simple explanation... she never got your email."
