Jokey of the Week!

It is the middle of the night and Laura wakes up to find that her husband is out of bed. She dresses in her robe and goes downstairs to find him sitting in front of a turned off-TV, holding a cup of coffee and looking into the distance, lost in some sad thought.

"What's the matter, honey?" she asks. "Why the heck are you down here at this hour?"

Her husband looks up at her. "Do you remember when we started dating when you were just 17?"

"Sure." She answers, puzzled.

Her husband groaned in sadness. "And do you remember when your father the sheriff caught us fooling around?"

"Yes, of course."

"And do you remember how he shoved his shotgun in my face and said:

'You either marry her or I'll put you in jail for 20 years?'"

"Yea I do, why are you so nostalgic all of a sudden?!?" she demanded to know.

The husband wiped a tear from his cheek and said:

"It's just... I would have been out today."
