Cattle Market Report

10TH AUGUST 2022 - 400 CATTLE YARDED

Another very good quality yarding this week with a good run of yearlings, to suit the feedlot and processor. Yearling cattle to feed were 20-25c/kg dearer and more in places and the processor saw a similar trend. Heavy steers and heifers also 20-30c/kg dearer and more in places with the return of a northern processor. A good run of cows also saw trends dearer 20-25c/kg.

JOKE OF THE WEEK!

An older lady decided to give herself a big treat for her 70th birthday by staying overnight in a really nice hotel. When she checked out the next morning, the desk clerk handed her a bill for \$250.00.

She demanded to know why the charge was so high.

"I agree it's a nice hotel, but the rooms aren't worth \$250.00 for just an overnight stay!

I didn't even have breakfast."

The clerk told her that \$250.00 is the 'standard rate', and breakfast had been included had she wanted it.

She insisted on speaking to the Manager.

The Manager appeared and forewarned by the desk clerk, announced: "This hotel has an Olympic-sized pool and a huge conference centre which are available for use."

"But I didn't use them," she said.

"Well, they are here, and you could have," explained the Manager. He went on to explain that she could also have seen one of the in-hotel shows for which they were so famous.

"We have the best entertainers from the world over performing here," the Manager said.

"But I didn't go to any of those shows," she said.

"Well, we have them, and you could have," the Manager replied.

No matter what amenity the Manager mentioned, she replied, "But I didn't use it!" and the Manager countered with his standard response. After several minutes' discussion, and with the Manager still unmoved, she decided to pay, wrote a cheque, and gave it to him.

The Manager was surprised when he looked at the cheque.

"But madam, this check is for \$50.00."

"That's correct I charged you \$200.00 for sleeping with me," she replied.

"But I didn't!" exclaimed the very surprised Manager.

"Well, too bad, I was here, and you could have."

Central West Local Land Services Farm biosecurity planning and livestock traceability workshops

The best defence against pests and diseases is to implement sound biosecurity practices. Join us at an upcoming workshop to improve your ability to assess the biosecurity risks on your farm and learn what steps to put in place to address them.

With foot-and-mouth disease (FMD) and lumpy skin disease (LSD) at the forefront of farmers' minds, we are running a series of farm biosecurity planning workshops coupled with an afternoon information session covering the use of National Vendor Declarations and livestock traceability through the National Livestock Identification System (NLIS) database.

Each workshop will be delivered by staff with expertise in farm hygiene, pests and weeds and animal biosecurity. We will help you review your existing farm biosecurity plan or develop a new one with quick and simple measures that you can build into your everyday practices to help protect your farm and your future.

Please bring along a copy of your current farm biosecurity plan. If you don't have one, please scan the QR code on the left to view the template available at the Farm Biosecurity website.
