Cattle Market Report

12TH JULY 2023 - 680 CATTLE YARDED

A very good yarding of cattle this week with all the southern processors in attendance, saw a slightly dearer market. The yearling cattle saw strong competition on any prime cattle with yearling cattle to the trade sold 10-12c/kg dearer. Export steers and heifers showed similar trends to be 5-8c/kg dearer. The cow market saw the biggest gains to be 10-15c/kg dearer and more in places.

JOKE OF THE WEEK!

Patrick, who was on holiday from Ireland on Bondi beach, couldn't seem to make it with any of the girls. So he asked the local lifeguard for some advice.

"Mate, it's obvious," says the lifeguard, "You're wearing them old baggy swimming trunks that make ya look like an old geezer. They're years outta style. Your best bet is to grab yourself a pair of Speedos - about two sizes too small and drop a fist-sized potato down inside 'em. I'm tellin' ya mate...you'll have all the babes ya want!"

The following weekend, Patrick hits the beach with his new tight Speedos, and his fist-sized potato.

Everybody on the beach was disgusted as he walked by, covering their faces, turning away, and laughing, looking sick!

So Patrick went back to the lifeguard again and asked him, "What's wrong now?" "JAHEESUS!" said the lifeguard. "Mate, the potato goes in front!"
