## JOKE OF THE WEEK!

A married couple in their early 60's are celebrating their wedding anniversary in a quiet and romantic little restaurant. Suddenly a tiny yet beautiful fairy appeared on their table. She said, 'For being such an exemplary married couple and for being loving to each other for all this time, I will grant you each a wish.'

The wife answered, 'Oh, I want to travel around the world with my darling husband.' The Fairy waved her magic wand and - poof! - two tickets for the Queen Mary II appeared in her hands. The husband thought for a moment: 'Well, this is all very romantic, but an opportunity like this will never come again. I'm sorry my love, my wish is to have a wife 30 years younger than me.'

The wife and the fairy were deeply disappointed, but a wish is a wish. So the fairy waved her magic wand and poof!.... the husband became 92 years old!
